Steven Connery Chairman,  
C.L.C.G. Cill Mocheallóg

We have watched players of all ages down through the years give us hours of pleasure and enjoyment in Páirc Seán MhicGearailt Kilmallock. Everyone has a memory or a story. This development is not about change, it's about progress - bringing our facilities to a new level for the benefit of all. *You have witnessed the history - now be part of the future.*

Your help will benefit future generations.

As Life President and a loyal and committed member of Kilmallock GAA Club I take enormous pride in its outstanding achievements down through the years. The contribution of generations of Kilmallock GAA people have put the club, the town and its people to the forefront both locally and nationally and it is my dear wish that this should continue for generations to come.

Jimmy Millea, Life President.

Mary Dowling  
Bord na nÓg.

Kilmallock Bord Na nÓg plays an important role in fostering and developing community spirit through the involvement of parents and children in our national games. In this technological advanced era the Bord Na nÓg encourages children from Under 6 to Under 16 to partake in team sports which is hugely beneficial in their physical and social development. This social interaction coupled with physical activity and discipline gives all our children the opportunity to enhance their development into well rounded adults.

In Coláiste Iósaeaf we strive to enhance the post primary educational provision in the area but we are also very conscious in our efforts to provide the best possible extra-curricular opportunities for our students. The support of Kilmallock GAA club has been fundamental in allowing us play Gaelic games at the highest level. Their willingness to provide facilities, coaches and support when required is of significant value to the students in school. This is very much appreciated and is testament to the strong local links this GAA club has developed. - Noel Kelly, Principal.

## THE PRINCIPAL ELEMENTS OF THE PLAN ARE:

### • PHASE 1:

The first stage of the plan will see new toilet facilities, new canteen, new shop and fencing around the perimeters. All of these are essential developments to the future growth of the club and its community. It is envisaged that Phase 1 of the plan will be completed within two years and earlier depending on funding.

### • PHASE 2:

The second phase will see improved facilities for players and members. Dressing Rooms will also be included within this phase along with a gym. Function rooms and games rooms are also envisaged for the youth of the town and the greater community.

### • PHASE 3:

The long term vision is for an astro-turf pitch, Walking-track (around the grounds) and further development of the stands.

Planning applications have been submitted to Limerick City & County Council and communications are ongoing. Funding is being sought from Sports Capital Grants, The Munster Council, players past and present, club members and all involved with the Kilmallock Club and community.

Kilmallock GAA Club was formed in 1884. Our club lies deep at the heart of the association's activities. It has been a focal point for the town and greater area over the last 130 years.

Due to the collective efforts of generations of players, administrators and members the club has created a history steeped in stories of dedication and commitment.

Many of our players have represented our county and province over the years, with a number going on to win All-Star awards for their performances.

We have a very proud and happy past, and it is our wish and commitment that this continues for our future generations.

## The GAA and it's place in the Community

The GAA is one of the biggest and oldest sports organisations in Ireland and the importance of the role it plays in Irish society cannot be undervalued. It is the lifeblood of many communities with Kilmallock being no exception. Kilmallock GAA has provided sport and physical activity for generations of young people and has been at the centre of all that is good in the town. The club has a very special place in the lives and hearts of the people of Kilmallock and it's surrounds and it is not just about sport it is about giving our members and supporters a sense of community, a sense of being part of a large family that's main aim, is to work together to achieve success - long may it last.
